CLIENT AGREEMENT

In an effort to keep mental health costs down while maintaining a high level of professional care, we have established the following payment policy for our clients. Our primary responsibility is to help our clients experience good health and we wish to spend our time and energy toward that end. Therefore, we would like to take the time now to fully explain our policy to you in order to avoid any misunderstanding in the future.

- **All fees are due and payable at the time of your visit.**
- We do accept insurance as full or partial payment of the fee and will be happy to bill the insurance carrier for you. Even though you have an insurance claim pending, you will receive a statement each month for the outstanding balance of your account. **We cannot accept responsibility for collecting an insurance claim or for negotiating a disputed claim. Insurance reimbursement is a contract between you and your carrier.** You are responsible for payment of your account within the usual limits of our credit policy. After 90 days, delinquent accounts may be assigned for collection assistance. If this becomes necessary, a \$25 service charge will be added to the account to cover the costs of the additional handling required. This will ensure that our clients who keep their accounts current will not be penalized to cover the costs incurred by those who don't pay.
- **We require a 24-hour notice of cancellation of your appointment; otherwise you will be charged \$35.00 for the session.** A missed appointment is wasted time for all involved, and the 24-hour notice gives us an opportunity to reschedule that time with someone else that needs to be seen. We have an answering machine that operates 24 hours a day, seven days a week so that you can leave a message anytime, nights and weekends included.
- **Telephone calls other than to make or change appointments will be billed at the regular rate.**
- We may need to bill you if we are required to make outside consultations that are not covered by insurance (i.e. insurance reviews, school counselors, physicians, court, attorneys, etc.).

Please do not hesitate to ask us any questions about our office policies. We want you to be comfortable in dealing with these matters and we urge you to consult with us if you have any questions regarding our services and fees. It is not our intention to cause you undue hardship. However, we must collect our receivables as efficiently as possible in order to continue our service to the community.

I have read this credit policy and understand that, regardless of any insurance coverage I may have, I am responsible for payment of my account within the usual limits of this credit policy. I agree that in the event costs and/or fees are incurred in connection with the collection of my account, I will pay all such costs and fees, including collection costs, attorneys' fees, and all court costs.

RISKS VS. BENEFITS

As in anything new, there are inherent risks in a treatment relationship. Due to the intense nature of self-evaluation and awareness, clients typically experience a range of emotions coupled with periods of imbalance. These periods lend themselves to states of confusion and disorganization. However, as in any growth process, the ups and downs usually balance out. If you choose not to seek treatment or outside assistance, you may find that doing nothing results in no change of your condition or behavior.

CONSENT TO TREATMENT

I have requested treatment from New Perspectives Center for Counseling and Therapy (NPC). I understand that testing, diagnostic procedures, and therapy are determined and administered through professional judgments made by NPC Staff. This treatment may include individual and/or group therapy, and may include consultations with NPC Counselors, Prescribers and other NPC staff. I understand that treatment procedures will be developed according to a mutually agreed upon treatment plan between me, my child (if receiving treatment) and the New Perspectives staff. I also understand that I will be given an explanation of the purpose of any prescribed medication and potential side effects.

If I use TripLink, I understand that NPC staff will be confirming appointments with them.

I understand that I am free to withdraw from this relationship at any time, and I agree to attend a closing session upon termination of treatment. I also understand that I am free to file a grievance at any time.

FEES

I also acknowledge that I have received a copy of the current fee schedule for New Perspectives Center.

Counseling fees per session are:

Initial Session	\$175.00	80 Minutes	\$171.00
20 minutes	\$75.00	Group Sessions	\$52.00 for 1 ½ hr. group
50 minutes	\$114.00	Couples/Family Counseling	\$120.00 per 50 min.

Medication Management fees	20 Minutes	\$76.00
Combined Medication & Counseling Fees	20 min.	\$80.00 / 50 min. \$120.00

NO SHOW / LATE CANCEL FEE \$35.00 ----- NSF / BOUNCED CHECK FEE \$20.00

Except for Oregon Health Plan Clients:

Phone consultations with the therapists are billed at \$28.50 per 15 min. and are not billable to your insurance company. Case Management fees are billed at \$26.00 per 15 min. and are not billable to your insurance company.

PAYMENT OF FEES

You are responsible for the payment of all charges incurred. We are happy to assist you by billing your insurance company but since your policy is a contract between you and your insurance company, you need to remember that any benefits information quoted by us regarding co-payments, deductibles and available benefits is only based on what was told to us by your insurance company at the time you schedule your first appointment. Benefits are normally subject to patient eligibility, contract limitations and exclusions in effect at the time the service is rendered. If you have any questions, contact your insurance company for clarification on your benefit package.

You will receive a monthly statement of your account showing services and payments received by you and/or your insurance company. Prompt payment of any outstanding balance is requested.

If you are on the Oregon Health Plan – As long as Oregon Health Plan coverage is in place, clients are not responsible for fees incurred during that time but are responsible for any charges incurred after coverage is lost. If you are an OHP client and your coverage is terminated, New Perspectives Center will work with you to assist you in finding alternative resources for coverage and identifying if any other financial assistance programs are available.
